

WATER GAMES

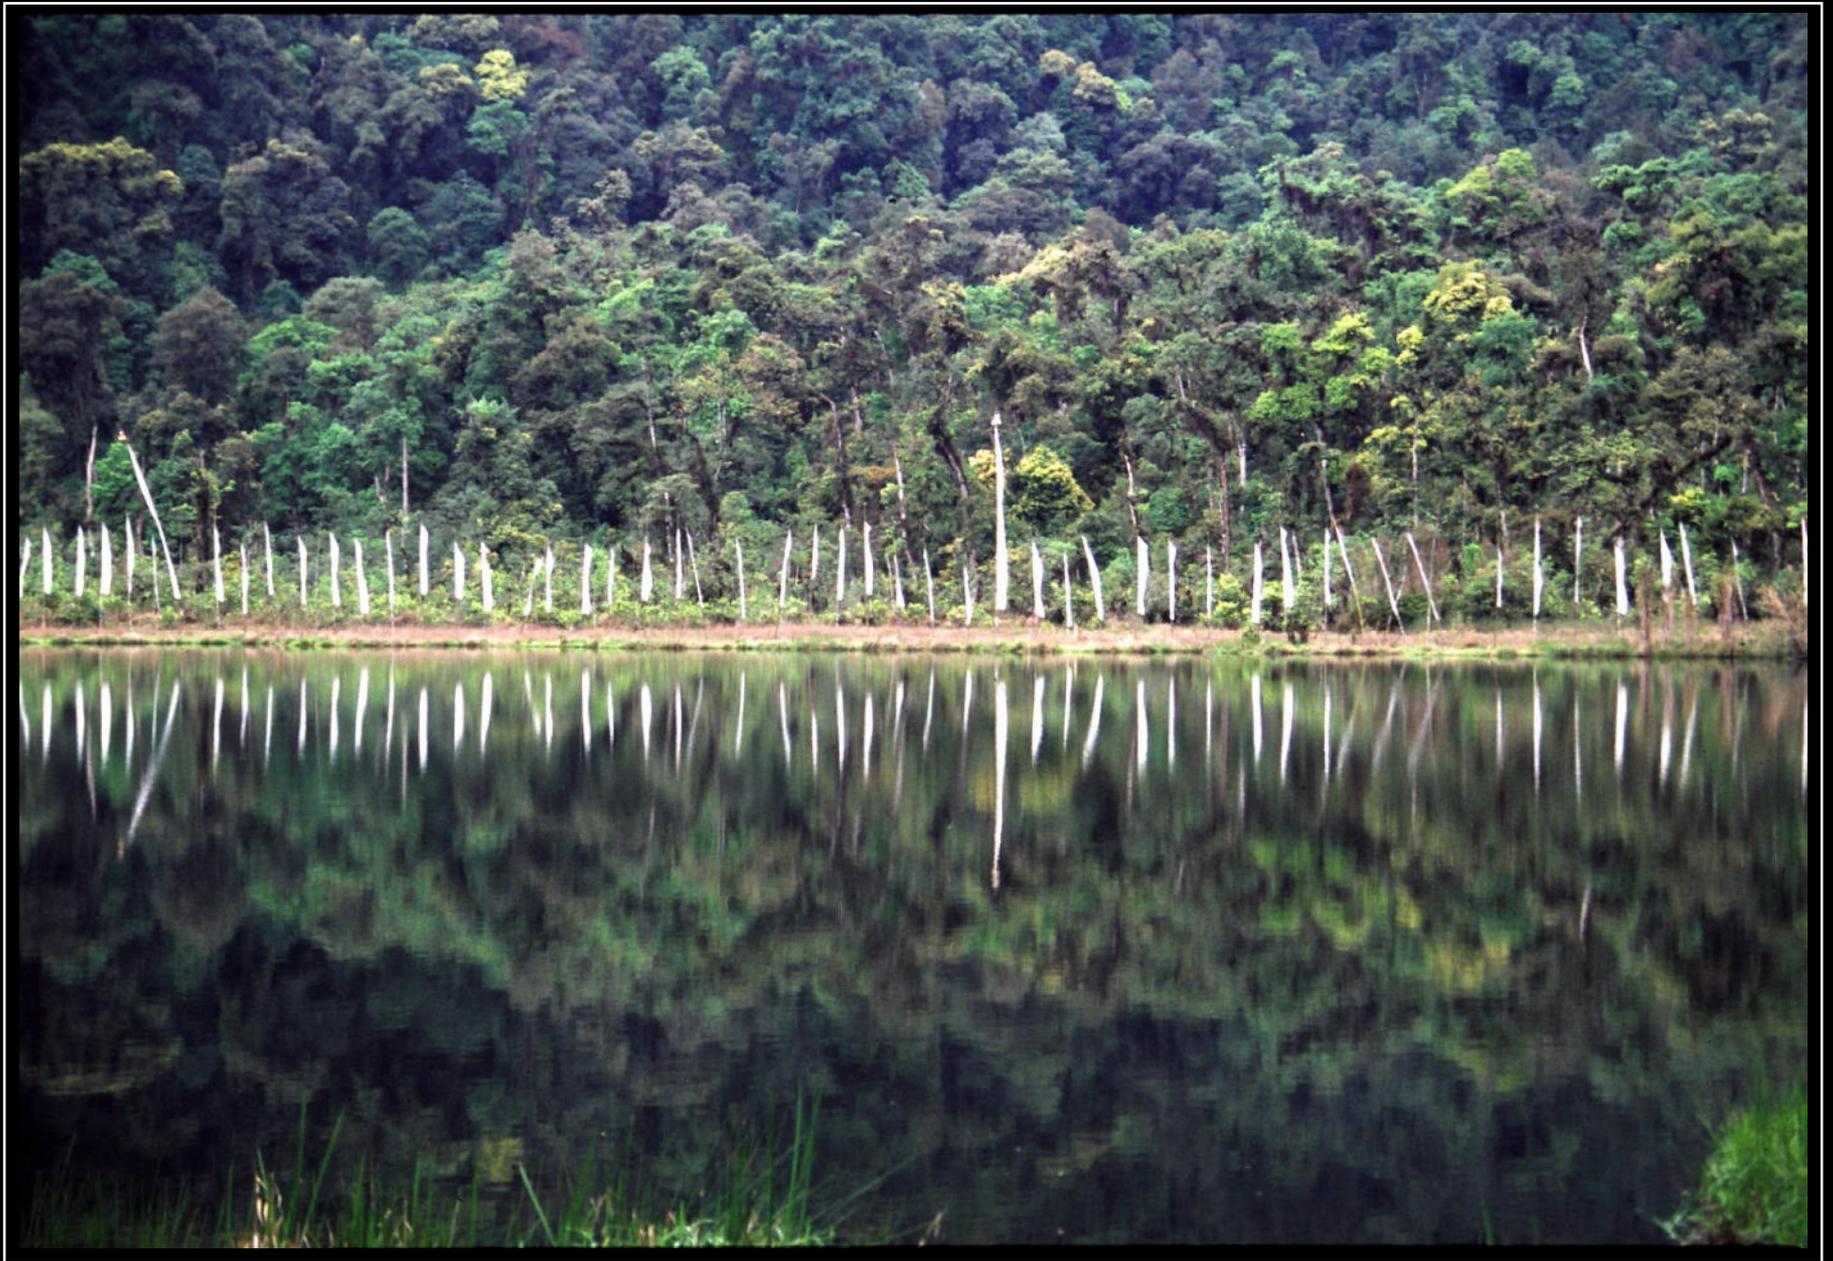

2008

A photographic, philosophical and inspirational journey through the land of water, which does not know any resistance and – though it might be calm and still - is always in permanent transformation.

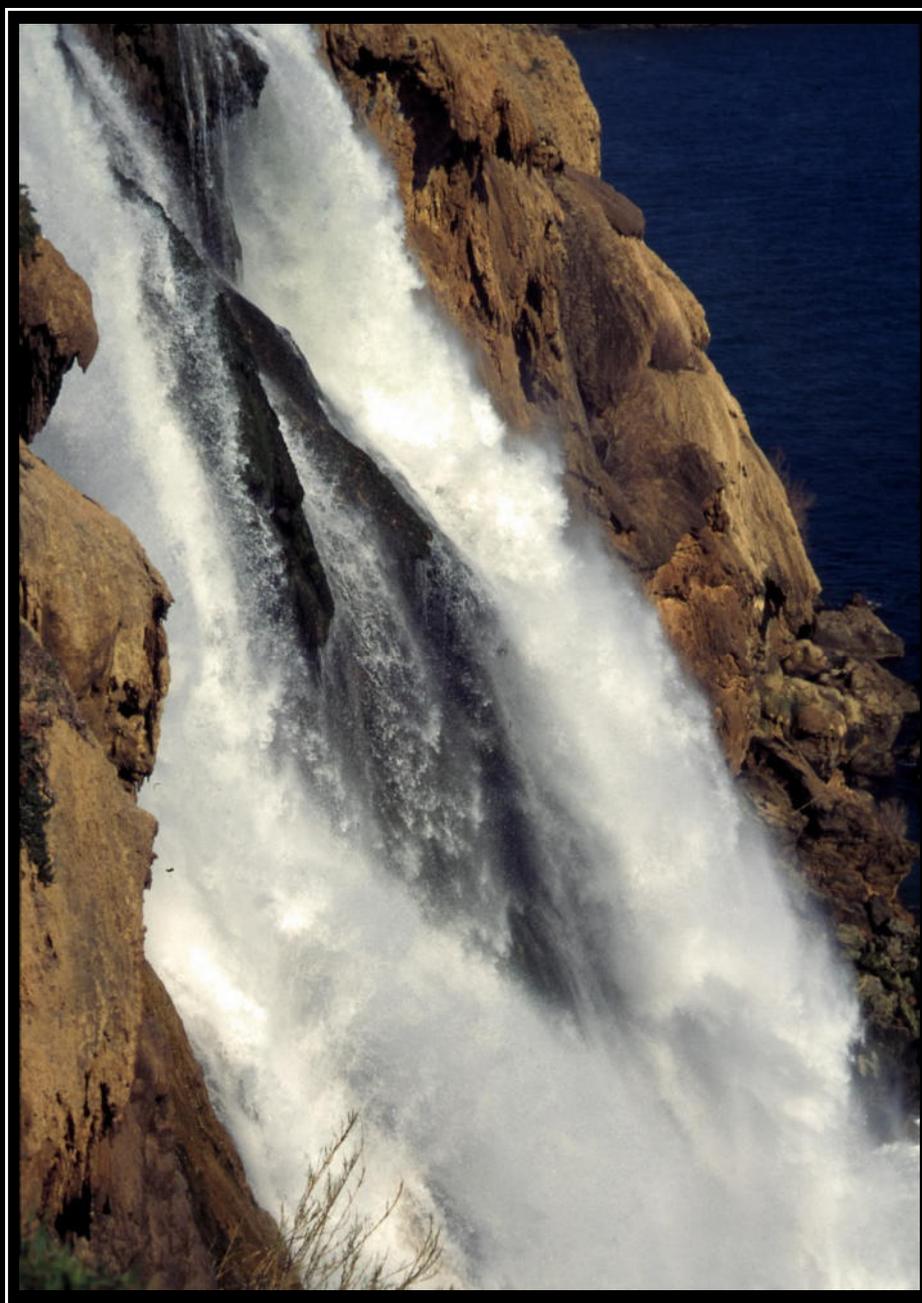

© Welcome to the play of waters, which flows, drips, spits, runs, rests, sparkles and more. ©

The so called Tower Bridge at the Great Ocean Road (South-West of Australia) – July 1992

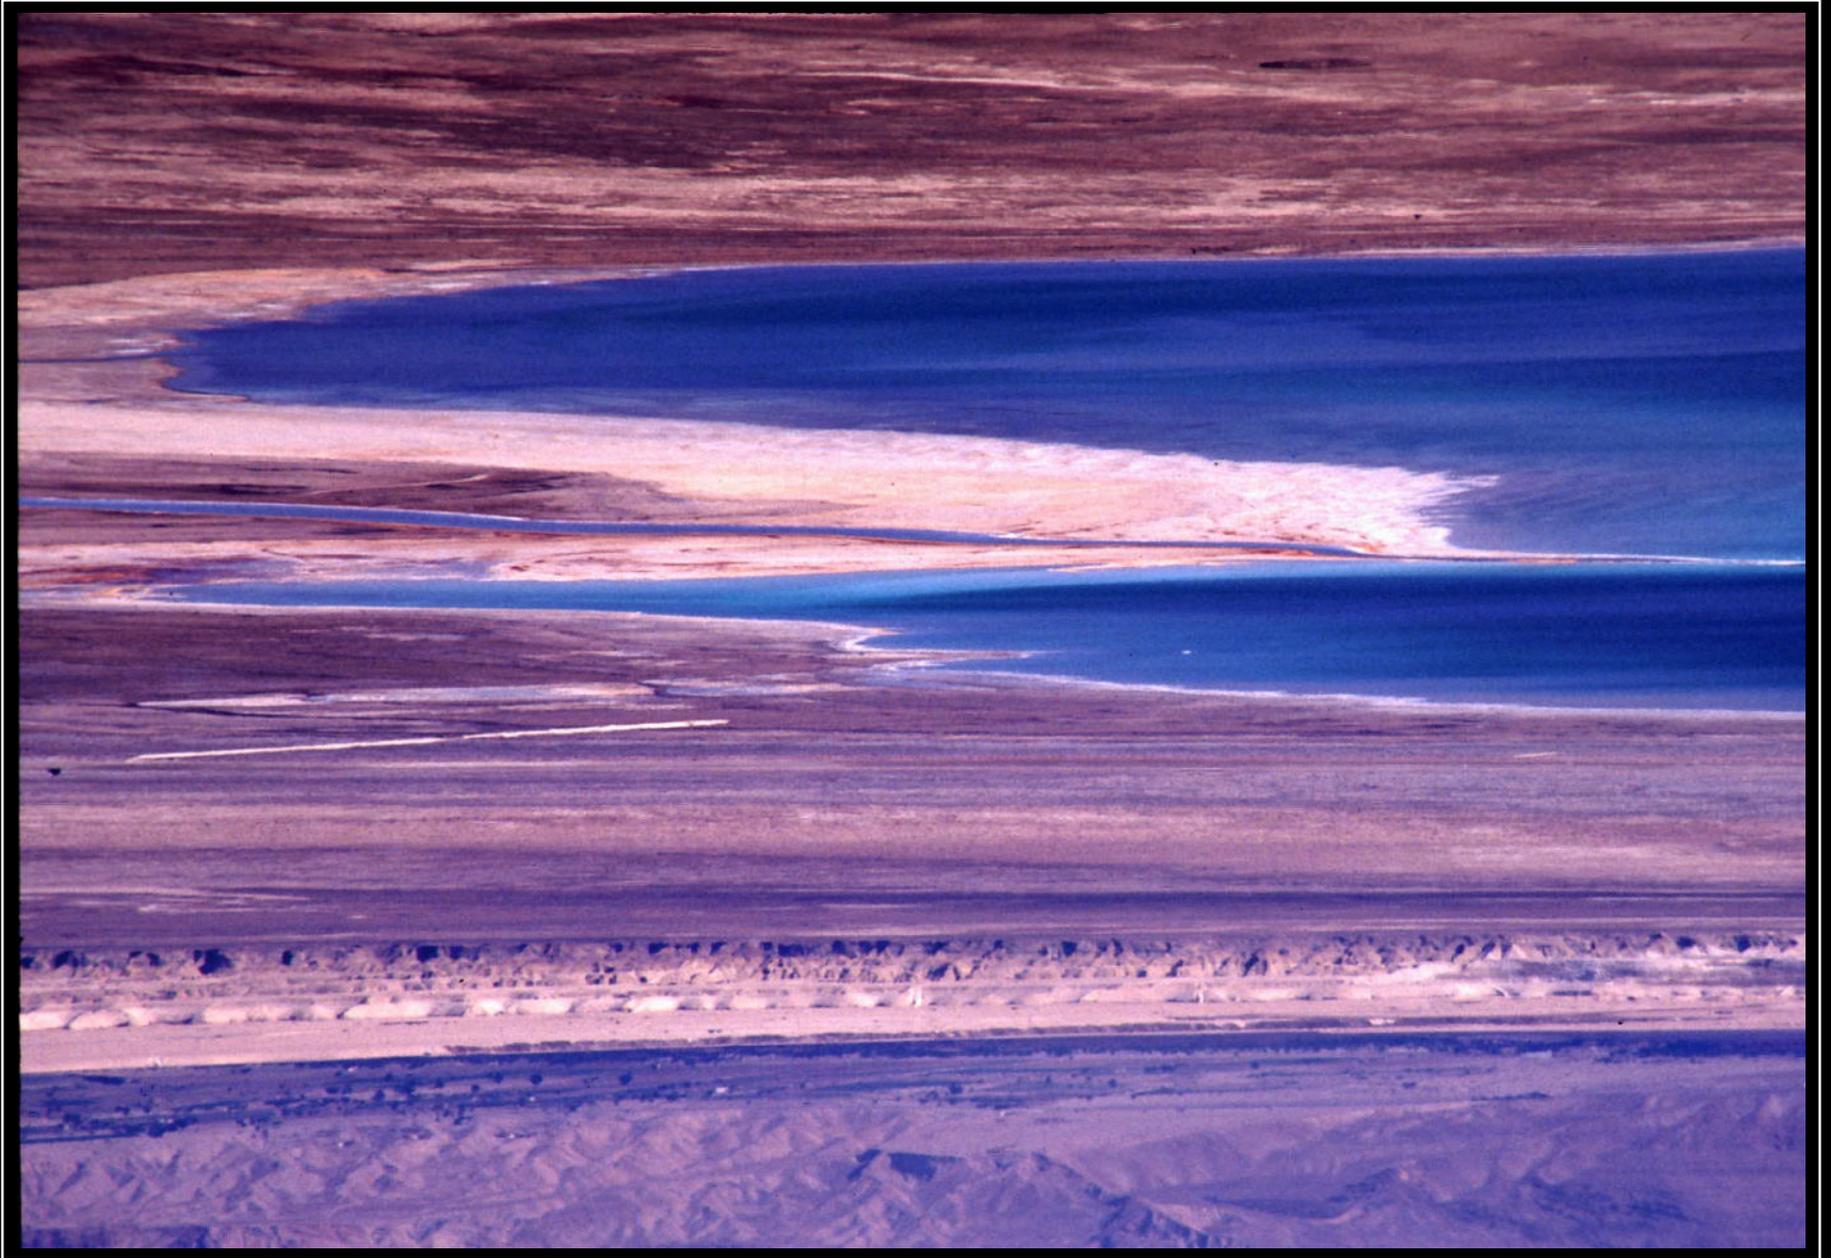

© You have many facets. Learn also to love those, which mirror image you do not like so much. ©

Prayer flags reflect in a calm lake along the Monastery Trek in Sikkim (Northern India) – July 1993

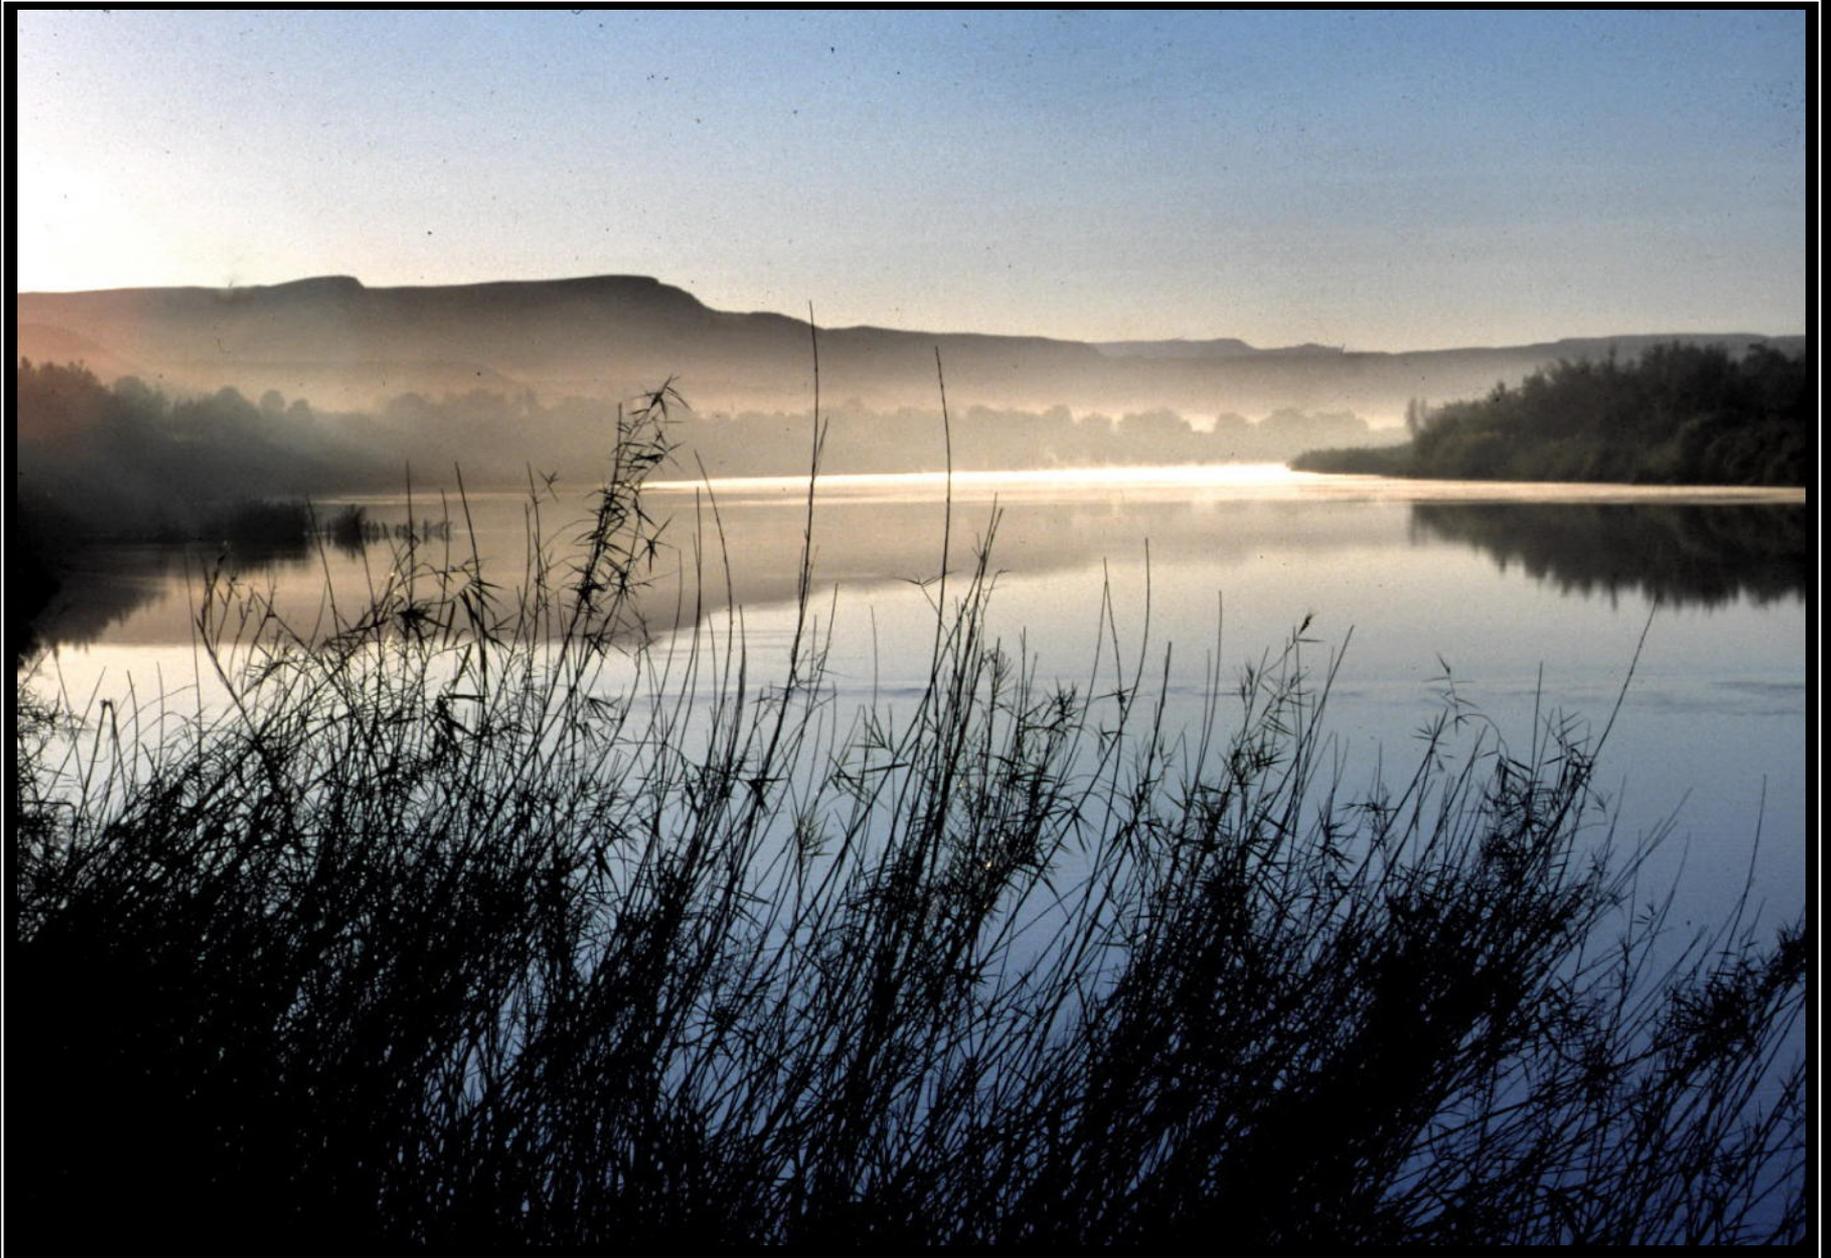

☯ Even a broken heart will heal again by floating together. Rely on it. 😊

A waterfall speeds down near Alanya and then into the sea (Turkey) – March 1996

☺ Even in the most tried out situation you will find something precious. ☺

The salty Dead Sea is headstrongly stranded at its own coastal line (Israel) – April 1995

© Sometimes you first have to move aside the jungle, before you can see the light. ©

The new day is reflected in the Fish River Canyon (Namibia) – July 2000

☯ Humans get then a special contour, if they have overcome rough situations. ☺
Along the Great Ocean Road rock formations are exposed to the forces of wind and water (Australia) – June 1992

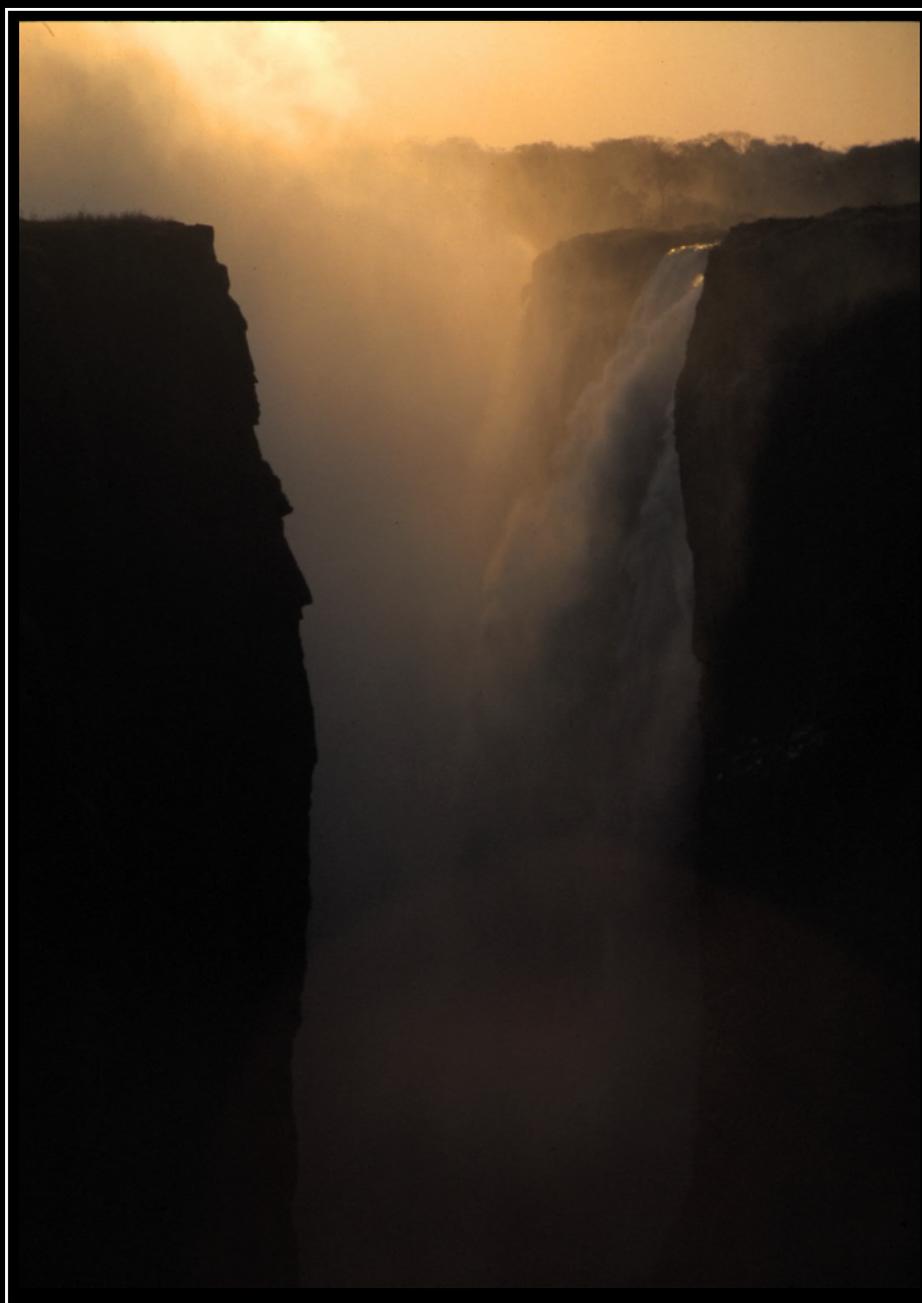

☺ Use the waves of life for riding on them into your future. ☺

The Jeffreys Bay nearby Durban is not only a paradise for surfers (South Africa) – June 2007

© Not everything which sparkles and shines is gold, but often more precious. ☺
The Titicaca Lake (3.810 m a. SL) reflects the evening sun with a thousand times of sparkle (Bolivia) – June 1996

☯ Sometimes it needs a Skyfall into the depth in order to get in touch with your forces. 😊

The Viktoria Falls plunge into the colorful spectral light of a rainbow (Simbabwe) – August 2000

☺ Slide confidently into the unknown - with a powerful, steady oar stroke. ☺

By boat to the Fragrance Pagoda (Chua Huong) in the limestone cliffs of the Huong Tich Mountains, ~60 km of Hanoi (Vietnam) - August 2003

© To overcome obstacles, you can jump from stone to stone or simply walk over the water. ©
A beautiful landscape flows around the volcano Cotopaxi (5,897 m) in the national park of the same name (Ecuador) - June 2004

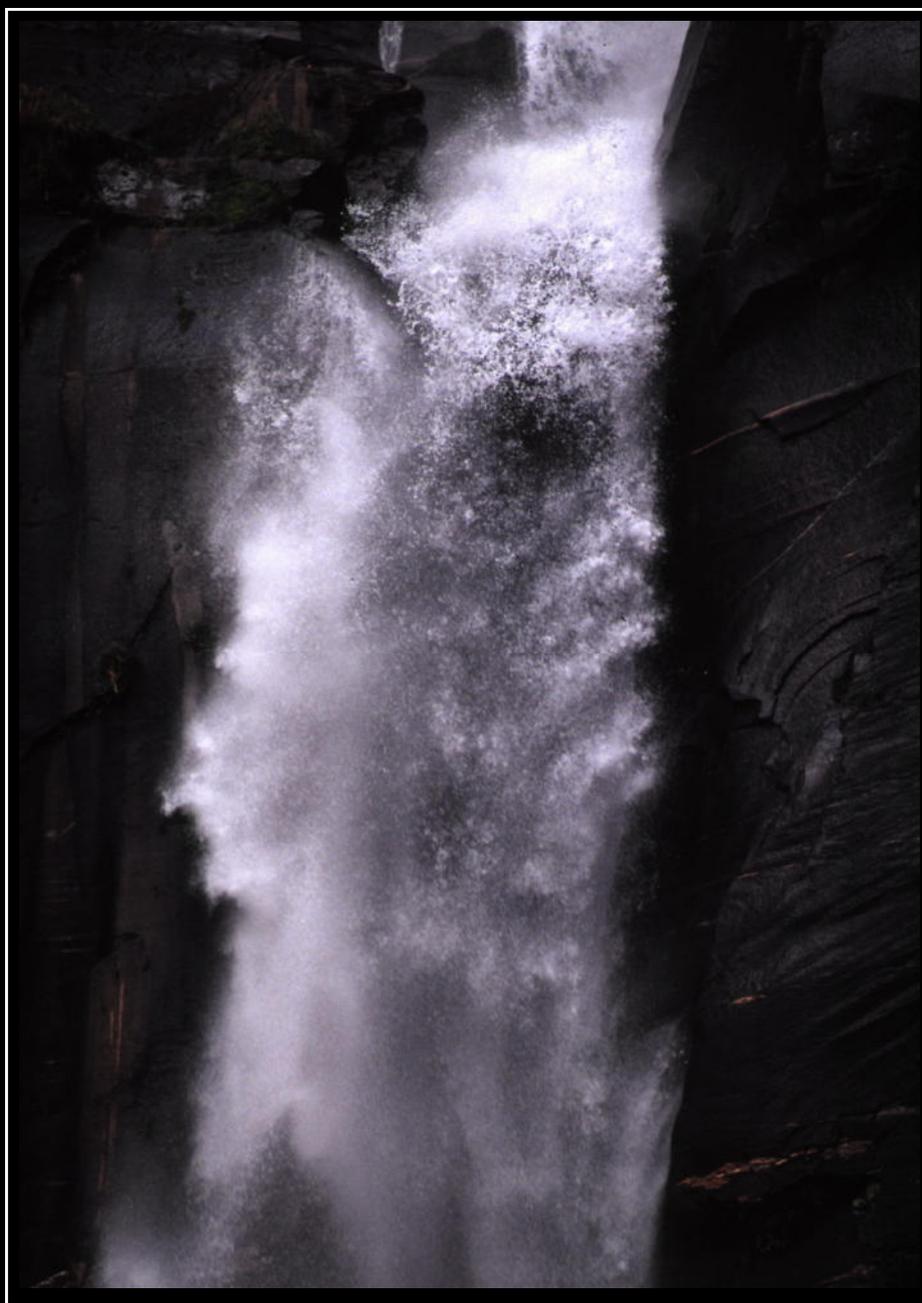

☺ Now and then jump out of the water like a phoenix and feel your reborn powers. ☺

The many bathing bays on the Sithonia peninsula south of Thessaloniki invite you to an evening dive (Greece) - June 1995

☺ Once a while do float like a leaf on the water without having the oars in your hands. ☺

Mystic, autumnal atmosphere on the lakes of the nature reserve of Altrip near Mannheim (Germany) - October 2004

© Soft is stronger than hard, water is stronger than rock and love is stronger than violence. - *Hermann Hesse* ☺

Bonus image: Water cascading down and across nearby Manali (2,000 m) in Northern India - June 1993

THANK YOU

for your

TIME
